### George Washington Pictures Given to Society

Dr. Earl and Carol Stubbe, long time historical society members, have recently given us a series of pictures depicting various phases in the life of George Washington. The first picture, showing his visit to Ft. LeBoeuf in 1753, is one of the finest in the series. These pictures are to be installed in the ballroom on the third floor of the Eagle Hotel. We are very grateful to the Stubbe's for their generous gift.
